

Thomas Garnreiter (Flecki)

Senior Systems Engineer | PowerShell Automation | Agentic Engineering (in development)

Location: Kienmayergasse 36/2/33, 1140 Wien, Oesterreich

Email: Thomas.Garnreiter@pm.me | Phone: private (auf Anfrage) | GitHub: <https://github.com/TOMTOM25m>

PROFESSIONAL SUMMARY

Langjaehriger Windows-/AD-/Exchange-Architekt mit Enterprise-PowerShell-Portfolio; aktuell Transition zu Linux Operations, Asset Management und Monitoring sowie Weiterbildung zum Agentic Engineer.

TARGET ROLE & DEVELOPMENT

Current: Linux Operations / Asset Management & Monitoring (MedUni Wien)

In Development: **Agentic Engineer**

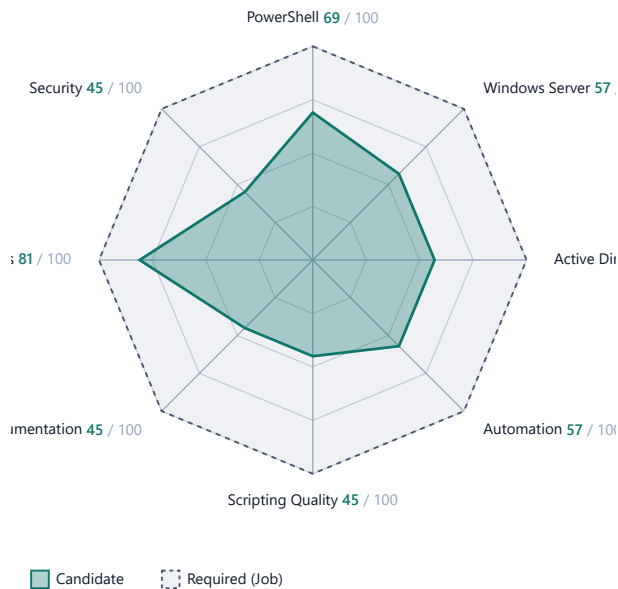

- AI-Agent Orchestrierung und Tooling
- LLM-gestuetzte Automation in Enterprise-Umgebungen
- Bruecke Windows-/Linux-Operations zu Agentic Workflows
- PowerShell + Python als Agent-Backbone

CURRENT LEARNING

- Agentic Engineering (LLM-Agents, Tool-Use, Multi-Agent Orchestrierung)
- Python (in development, Agent-Backbone, CLI- und Pipeline-Tooling)
- Microsoft Copilot Studio (in development, Agent-Authoring, Topics, Plugins)
- Microsoft Graph (in development, M365-Integration, Mail/Users/Groups/Teams)
- Prompt Engineering (in development, System-Prompts, Tool-Definitions, Evaluation)
- Linux Operations (RHEL, Ubuntu)
- Zabbix 5 (Templates, Trigger, Discovery, Alerting)

SKILL RADAR (JOB ALIGNMENT)

Coverage: 57%

PowerShell: **69** / 100Windows Server: **57** / 100Active Directory: **57** / 100Automation: **57** / 100Scripting Quality: **45** / 100Documentation: **45** / 100Operations: **81** / 100Security: **45** / 100

PROGRAMMING STYLE

- Modular architecture with reusable shared modules
- Strong standards compliance and rule-driven implementation
- Automation-first approach for operations and deployment
- Reliability through explicit error handling and structured logging
- Security and traceability focus including script signing and auditability
- Cross-version compatibility for mixed PowerShell environments

CORE STACK

- PowerShell 5.1
- PowerShell 7.x / PWSH
- Windows Server (Architektur, Operations, AD/PKI/Exchange)
- Windows Automation
- Active Directory Operations
- Enterprise Scripting
- Python (in development)
- Bash (Linux Operations)
- Zabbix 5 (Monitoring)
- VM7 (Asset Management)

TOOLING

- PSScriptAnalyzer
- Pester
- Git with sign-off workflow
- robocopy-based deployment routines

QUALITY PRINCIPLES

- JSON-based configuration over hardcoded values
- Pre-deployment validation and backup discipline
- Production-safe rollouts with rollback paths
- Clear documentation and maintainable naming conventions

WORK EXPERIENCE

Linux Operations / Asset Management & Monitoring

Medizinische Universitaet Wien | 2026-05-02 - present

Wien

- Hardware Asset Management ueber VM7: Objekt-Lifecycle (New / Modify / Inactive / Delete), Skartierung und Neuregistrierung
- Monitoring & Observability auf Basis von Zabbix 5 (Templates, Trigger, Discovery, Alerting) - seit 2026-05
- Linux Operations (RHEL, Ubuntu) - Anfaengerlevel, im Aufbau
- Scripting in Bash, PowerShell und PWSH zur Verbindung Windows-/Linux-Welt

Senior Windows / Exchange Systems Engineer

Medizinische Universitaet Wien | 2008-08-02 - 2026-05-02

Wien

- Active Directory Architecture, Operations und Disaster Recovery
- Microsoft-konforme NTFS- und Share-Berechtigungsstruktur, File-Server und DFS
- Group Policy Architektur und Lifecycle-Pflege
- Zertifikatsinfrastruktur PKI / ADCS (Issuance, Renewal, Templates)
- WSUS / Patch Management (Genehmigung, Wellen, Reporting)
- Backup- und Disaster-Recovery-Konzepte fuer Windows-Plattformen

ACHIEVEMENTS

- *2009: Komplette Wiederherstellung von Active Directory und Fileservices nach Conficker-Wurm-Befall (MS08-067 / Downadup) - Restore aus Backups, Domain-Cleanup, KB958644-Rollout, flaechendeckender Passwort-Reset*
- *Neuaufbau einer vollstaendigen Microsoft-konformen AD- und Fileberechtigungsstruktur*
- *Aufbau und Betrieb der Zertifikatsinfrastruktur (PKI/ADCS) sowie DFS-Namensraum*
- *Etablierung WSUS-basierter Patch-Strategie und konsolidiertes Backup-Konzept*
- *Exchange 2010 On-Premise Greenfield (2010) inkl. DAG/CAS/HUB*
- *Inplace-Migration Exchange 2010 -> 2016 ohne Service-Unterbrechung*

Senior Windows / Exchange Systems Engineer

Oesterreichisches Verkehrsbuero | 2004 - 2008-12-31

Wien

- 1st Level Support
- Server-Administration (Windows)
- Active Directory Administration
- Hardware Management

IT Support Technician

MS EDV-Dienstleistungen | 2002 - 2003

Wien

IT Support Technician

TSG EDV-Terminal-Service Ges.m.b.H. | 2001 - 2002

Wien

Junior / Windows Systems Engineer

propack | 2000 - 2000-12

Sauerlach

EDM Specialist (Electrical Discharge Machining)

Sona Blw | 1998 - 2000

Muenchen

Setup & Operations Technician and TeamLead

Wilhelm Gronbach GmbH | 1996 - 1998

Wasserburg, Bayern, Germany

Civilian Service Personnel

Zivildienst Stiftung Attel bei Wasserburg/Inn | 1994 - 1996

Bavaria, Germany

- Schwerstbehindertenbetreuung

Apprentice Industrial Mechanic (Operating Technology)

Deutsche Bundesbahn | 1990 - 1994

Germany

CAREER PROGRESSION

Linux Operations / Asset Management & Monitoring

Medizinische Universitaet Wien | 2026-05 to present

- Hardware Asset Lifecycle (VM7)
- Zabbix 5 Monitoring
- Linux Operations (RHEL/Ubuntu)
- Agentic Engineering (Weiterbildung)

Senior Windows System Administrator

Medizinische Universitaet Wien | 2008-08 to 2026-05

- Active Directory Architecture & Recovery
- Exchange On-Premise (2010 / 2016) inkl. Dual-Domain Mail
- PKI / ADCS, GPO, DFS, WSUS, Backup
- Enterprise PowerShell Automation (5.1 + 7.x)

Senior Windows / Exchange Systems Engineer

Oesterreichisches Verkehrsbuero | 2004 to 2008-12-31

- 1st Level Support
- Server-/AD-Administration

- Hardware Management

CERTIFICATIONS & TRAINING

- Microsoft Certified Professional (MCP) - Windows Server (2000)
- Microsoft Certified Professional (MCP) - Windows Client (2000)
- PowerShell-Kurse (intern/extern, mehrjaehrig)
- Trainer: Exchange-Schulungen (intern)
- Trainer: Office 2010-Schulungen (intern)

EDUCATION

Deutsche Bundesbahn

Industriemechaniker - Fachrichtung Betriebstechnik
(Geselle)
1990 - 1994

- gesellenpruefung: Note 2
- berufsschule: Note 3

Hauptschule Ismaning

1990

LANGUAGES

- Deutsch - Muttersprache (C2)
- Bayrisch - Muttersprache (Dialekt)
- Englisch - B2

SOFT SKILLS

- Hohe Belastbarkeit (Partnerschaftliches Umfeld mit Borderline / ADHS / ADS / Autismus)
- Empathie und ruhiger Umgang in herausfordernden Situationen
- Loesungsorientiertes Arbeiten
- Wissenstransfer / Trainer-Erfahrung
- Autodidaktisches Lernen (PowerShell-Profi, aktuell Agentic Engineering)

ADDITIONAL

Driving License: Klasse B / BE (aktuell gueltig), Klasse C1 / C1E (aus alter Klasse 3 DE, inzwischen abgelaufen / nicht verlaengert)

Interests:

- Camping
- Reisen

- Freunde
